

# CMPT 276 - AI Disclosure Form - Summer 2025

Why this survey? This disclosure form aims to *help us understand and reduce any potential risks* related to the use of AI tools in this course.

Please complete the survey **by yourself** and be **truthful**. *Using AI tools will not negatively affect your marks for the assignment/lab/etc.*

What do we mean by AI tools in this survey?

AI content generators refer to any tools that create any type of content, including (but not limited to):

- ChatGPT and all other large-scale language models;
- Stable Diffusion and other AI-based Image Generators;
- Code extensions for IDEs;
- Other tools that are capable of generating text, image, codes, or any other content for the course work. BUT, Grammarly and other grammar checkers are NOT included.

For more information on our policy, please refer to: <https://parsa-rajabi.github.io/CMPT-276/#/ai-policy>

1. First Name (as appears on Canvas) \* 

Tyrese

2. Last Name (as appears on Canvas) \* 

Temple

3. Student ID \* 

301607965

4. Which assignment/lab/project submission is this AI use disclosure for? \* 

Project submissions are included as "MX" aka Milestone X, where X is the milestone number

5. How do you feel about using AI content generators in relation to your personal standards of academic integrity for this submission? \* 

Completely  
Acceptable

Somewhat  
Acceptable

Neutral

Somewhat  
Unacceptable

Completely  
Unacceptable

In my personal  
standard of  
academic  
integrity, using  
AI content  
generators for  
this submission  
is...

☐☒☐☐☐

6. Please explain your rating above regarding academic integrity of AI use for this submission. Why? (Write in 2-3 sentences) \* 

Like previous disclosures, I feel that AI is useful as an tool for inspiration, or to help collect one's thoughts in a more structured way.

7. Did you use AI tools for this submission? \* 

☒ Yes

☐ No

8. For this submission, how would you rate the relative contribution made by your versus AI? \* 

Mostly by myself, some  
contribution by AI

Evenly split between  
myself and AI

Mostly by AI, some  
contribution by myself

Entirely by AI, no  
contribution from  
myself

This submission  
is...

☒☐☐☐

9. How did using AI content generators impact **your learning** for this submission? \* 

|                                                    | Greatly benefited my learning | Somewhat benefited my learning   | Had no impact on my learning | Somewhat hindered my learning | Greatly hindered my learning |
|----------------------------------------------------|-------------------------------|----------------------------------|------------------------------|-------------------------------|------------------------------|
| Using AI content generators for this submission... | <input type="radio"/>         | <input checked="" type="radio"/> | <input type="radio"/>        | <input type="radio"/>         | <input type="radio"/>        |

10. Please explain your rating above about AI's impact on your learning for this submission. (Write in 2-3 sentences) \* 

I found it particularly challenging to write a script that both used our chosen user personas to discuss core features, while at the same time not sounding like I was speaking about something orthogonal to the point. My use of AI provided me with several template examples of how to structure my prose, which was very beneficial to emulate my work after

11. List the name all the AI tools that you used for this submission \* 

Google Gemini (2.5)

12. How confident were you in AI's responses that you received? \* 

- ☐ Confident
- ☒ Somewhat confident
- ☐ Neutral
- ☐ Somewhat not confident
- ☐ Not confident

13. How did you ensure the answer you received from the AI tool was correct? \* 

Since this work reflects our group's interests and goals for our web app, any verifications were simply made by comparing my writing with the M0 and M1 report documents.

14. Did you at any point abandon using AI tools and seek other resources? Explain your answer.  
(optional) 

What made you abandon using the AI tool? Were you more successful using other resources? Input N/A if you have not used any

After receiving 2-3 example scripts, I ceased conversing with my LLM and based my work off of the point breakdown structure used throughout many of the templates.

15. For each of the following items, how would you rate the relative contribution made by you versus AI? \* 

| Entirely by myself, no contribution from AI | Mostly by myself, some contribution by AI | Evenly split between myself and AI | Mostly by AI, some contribution by myself | Entirely by AI, no contribution from myself | Not applicable |
|---------------------------------------------|-------------------------------------------|------------------------------------|-------------------------------------------|---------------------------------------------|----------------|
|---------------------------------------------|-------------------------------------------|------------------------------------|-------------------------------------------|---------------------------------------------|----------------|

**Writing - Proofreading:**  
To revise written work for grammar, typos, style, and other related items

|                       |                                  |                       |                       |                       |                       |
|-----------------------|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| <input type="radio"/> | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
|-----------------------|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|

**Writing - Text Completion:** To complete sentences, paragraphs or even entire documents

|                       |                                  |                       |                       |                       |                       |
|-----------------------|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| <input type="radio"/> | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
|-----------------------|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|

**Writing - Text Ideation:** To generate new ideas, concepts; and examples for writing submissions

|                                  |                       |                       |                       |                       |                       |
|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|

|  | Entirely by myself, no contribution from AI | Mostly by myself, some contribution by AI | Evenly split between myself and AI | Mostly by AI, some contribution by myself | Entirely by AI, no contribution from myself | Not applicable |
|--|---------------------------------------------|-------------------------------------------|------------------------------------|-------------------------------------------|---------------------------------------------|----------------|
|--|---------------------------------------------|-------------------------------------------|------------------------------------|-------------------------------------------|---------------------------------------------|----------------|

**Text analysis:**  
To make sense of text and generate insight as to what it means

|                                  |                       |                       |                       |                       |                       |                       |
|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|

**Summary:** To quickly understand large amount of text by extracting important information

|                                  |                       |                       |                       |                       |                       |                       |
|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|

**Q&A + Research:** To get answers from questions and find relevant information

|                       |                       |                       |                       |                       |                       |                                  |
|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|----------------------------------|
| <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> |
|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|----------------------------------|

**Illustration/Sketching:** To create visual representations of concepts and ideas such as diagrams, charts, illustrations

|                       |                       |                       |                       |                       |                       |                                  |
|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|----------------------------------|
| <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> |
|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|----------------------------------|

**Coding - Write:** To generate code by AI for software implementation

|                       |                       |                       |                       |                       |                       |                                  |
|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|----------------------------------|
| <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> |
|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|----------------------------------|

**Coding - Test:** To generate code tests by AI for software implementation

|                       |                       |                       |                       |                       |                       |                                  |
|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|----------------------------------|
| <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> |
|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|----------------------------------|

|  | Entirely by myself, no contribution from AI | Mostly by myself, some contribution by AI | Evenly split between myself and AI | Mostly by AI, some contribution by myself | Entirely by AI, no contribution from myself | Not applicable |
|--|---------------------------------------------|-------------------------------------------|------------------------------------|-------------------------------------------|---------------------------------------------|----------------|
|--|---------------------------------------------|-------------------------------------------|------------------------------------|-------------------------------------------|---------------------------------------------|----------------|

**Coding -**

**debug:** To identify issues with existing code for software implementation

|                       |                       |                       |                       |                       |                       |                                  |
|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|----------------------------------|
| <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> |
|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|----------------------------------|

**Coding -**

**explanation:** To understand what a code snippet does for software implementation

|                       |                       |                       |                       |                       |                       |                                  |
|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|----------------------------------|
| <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> |
|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|----------------------------------|

**Other:** to help

any other aspects of the submission not listed above

|                                  |                       |                       |                       |                       |                       |                       |
|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|

16. Please explain your ratings above, especially if you have AI tools for "other" types of work. \* 

I used AI to help structure my writing, as well as provide ideal examples of how my list of key talking points could be broken down in a way that is both pleasing, but isn't overly technical for what is trying to be said.

17. Please provide use this space to provide any other information that you'd like to disclose (optional)
